III. **SPOT MARKET QUOTATION PROCEDURE**

Bidders who provide proof that they represent one or more of the brand names and/or manufacturers listed in the Pre-Qualified Manufacturers List established in Section 3, paragraph 3.4 of the solicitation and meet the minimum requirements set forth in Paragraph 2.6.1. The pre-qualified Bidders will participate in spot market quotations for fire hydrant parts and accessories as needed.

Requests for price quotations on replacement parts and accessories shall be accomplished via facsimile (FAX), e-mail or by written requests. Quotations must be returned by the pre-qualified vendors in the same manner.

It shall be the sole prerogative of the County as to the number of selected bidders who will be initially included under this contract. During the term of this contract, the County reserves the right to add or delete vendors as it deems necessary in its best interest. If the County elects to add bidders, they must meet the same minimum qualifications established for the original competition.

In the best interest of the County, for items either delivered by the selected bidders or picked-up from the selected bidders by authorized County personnel, the availability of material, geographic location or delivery time may be utilized as deciding factors for the basis of an award to a bidder when it is determined by the County department that a project is time sensitive to meet pre-established deadlines.
